Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 14-28 are rejected under 35 U.S.C. 102(b) as being anticipated by Wiktor (U.S. Patent (5,133,732)).

Wiktor disclosed a stent (40) having helical arrangement of elements with struts (42, 44) and apex (48) sections as is claimed (figure 8, column 3 lines 47-68, column 4 lines 1-9 and column 7 lines 12-24).

Allowable Subject Matter

3. Claims 1-13 are allowed.

Response to Arguments

4. Applicant's arguments filed 09/21/2005 have been fully considered but they are not persuasive. In regard to the newly added limitations on claims 14 and 25, Wiktor disclosed a stent that was made from wrapping the wire (2) around a cylindrical mandrel which inherently having the limitation "the two struts lie on a cylindrical surface having a common radius relative to a longitudinal axis of the stent". Therefore the rejection under 35 U.S.C. 102(b) as being anticipated by Wiktor (U.S. Patent (5,133,732)) is proper.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
